

Community Calendar – Semester Two 2019

We are proud that our school is situated in the most multicultural electorate in Queensland. Understanding the backgrounds and cultures of our students and their families, as well as making connections with our diverse community, is very important to us and has a direct impact of the lives and learning of the children we teach every day.

We have developed this calendar to outline cultural and community events that we recognise and celebrate at our school. All dates, as well as school fundraisers and other events, will be confirmed closer to the date via the community newsletter, e-newsflashes and electronic sign at the front of the school. Please ensure the office has your correct email address so you do not miss out. We encourage all families and community members to come along and be part of school community events and special days!
